Pinnacle Adds Another Marriott AC Hotel With PBX Installation For The Opening Soon, 'AC Hotel Sunnyvale Cupertino' At Silicon Valley, CA

AC Hotel Sunnyvale / Cupertino
597 El Camino Real
Sunnyvale, CA

On schedule to open in September 2018, the new luxury AC Hotel is located in the heart of Silicon Valley and offers a modern vibe for both local and business travelers alike. The stylish designed hotel has easy access to SJC Airport and is close to nearby towns including Cupertino, Sunnyvale, Mountain View and San Jose. Designated as a LEED Silver Certified green hotel, the property features 182 guestrooms and suites distributed over 5 floors and includes 2,454 square feet of meeting space. In addition to its inviting ground floor outdoor patio area, guests will enjoy onsite underground parking and a unique elevated 4th floor pool patio with dining and bar that feature an outdoor fireplace and lounge seating.

Pinnacle is installing a Mitel 3300 PBX and telephones for guestrooms and other areas.

“We’re beginning to see more and more of Marriott’s AC Hotels being constructed,” says Bill Mitchell, Pinnacle CEO/VP Cloud Solutions, “it’s a really special concept and design and right now we have several current projects and more in the queue. It’s great to see so many new high-end hotels being built in every area of the country and very pleased that because of our company’s continued growth and capabilities, we are in a unique position to take advantage of all the great opportunities.”
